

New York Branch of The International Dyslexia Association

SAVE THE DATE

36th Annual Conference on Dyslexia
& Related Learning Disabilities

Monday, March 16 & Tuesday, March 17, 2009
Marriott Marquis, New York, New York

***Featuring a research strand that will include the latest developments
in neuroscience that are linked to dyslexia and related
language-based learning disabilities***

- *Attend the premier event in the New York region in the field of learning disabilities!*
- *Listen to noted experts, covering topics such as current research on fluency, links to evidence-based teaching approaches across the curriculum for students of all ages, social issues, early intervention, and assistive technologies.*
- *Visit our exhibit hall and learn about teaching resources, assistive technologies, schools with programs for students with learning disabilities, and other related services and materials.*
- *Share information with co-workers, colleagues, parents, professionals and others.*

A complete program will be available on our website in December 2008- www.nybida.org.
Ask to be placed on our email list to receive updates on the conference and year round programming.

For more information, visit our website regularly at www.nybida.org or email us at outreach@nybida.org.
